

A TOWN BOARD MEETING WAS held on June 21, 2021 at 7:00 p.m. The location was the Town Hall, Town of Indian Lake, Pelon Road, County of Hamilton, State of New York.

Supervisor Wells brought the meeting to order. All said the Pledge of Allegiance. Supervisor Wells called for the Roll with the following Board Members answering:

Roll Call: Councilman Mahoney	Here
Councilwoman Stanton	Here
Councilman Rathbun	Here
Supervisor Wells	Here

Minutes

Councilwoman Stanton made a motion to accept the minutes of 5/10/21 as presented. Seconded by, Councilman Rathbun.

Roll Call: Councilman Mahoney	Aye
Councilwoman Stanton	Aye
Councilman Rathbun	Aye
Supervisor Wells	Aye

Department Head Reports/Additions

Supervisor Wells reported to all that Christine Pouch, Economic Director, was present on Zoom, as she was at a training in Albany. Supervisor Wells told all he is looking into audio/video equipment so the Town Board meeting could live stream the meetings as many residents liked the Zoom meetings. Patrick Mahoney, Department Head of Sewer and Water, reported to the Board that he had been able to sell the surplus equipment.

Supervisor Wells reported to all that he and Patrick had attended a meeting with the Town Engineers concerning the Blue Mt. Water Project. He stated they are looking into alternate drill sites. He reported to all that he had asked for an extension of six (6) months on the Grant we had received. He stated the paperwork is complete and should be sent out by Friday.

Bill Laprairie, Department Head of Buildings and Grounds told all that the trash pickup yielded 43,000 pounds of C&D garbage and 30,000 pounds of Metal. He told all the bog boat was being fixed and he was hoping to start moving bogs by the end of this week. He asked the Board for direction on the old Stewarts building concerning the electric and heat. Supervisor Wells stated he had this on his agenda to discuss later.

Christine Pouch, Economic Development, Marketing and Events Manager (EDM & Events), reported to the Board on the changes she is making on the new Web site. She also wished to discuss the new "One Call System" that was started as another way to get Emergency Information out to the public. Residents were told of the new email system and all who wanted to participate gave their emails. Christine would like to use this as an advertising system letting everyone know of upcoming events. Discussion was held on the fact that the residents signed up knowing this was for emergency use only. Christine stated she can set it up so those who do not want the activity/advertising emails can opt out but remain on the emergency contact email system. Councilwoman Stanton stated that she feels it is structured well and she feels this is another avenue to get information out to the public.

Christine also stated that she would be adding a map to the site which will include the 5 Towns and Gore Mt. and North Creek. Discussion held as to whether Gore Mt./North Creek should be included. Christine stated she felt this was a good directional reference as so many people do not realize where Indian Lake is. Supervisor Wells felt they should not be included as they are not involved in out promotional efforts. Councilman Rathbun asked why Speculator was not on the map, as they are the only store in our County. Discussion held. Councilman Rathbun made a motion to add Speculator to the map on the Town Web Site, as well as, leaving Gore Mt. and North Creek. Seconded by, Councilman Mahoney. Discussion.

Roll Call: Councilman Mahoney	Aye
Councilwoman Stanton	Aye
Councilman Rathbun	Aye
Supervisor Wells	Nay

Section 284 – Agreement to Spend Highway Funds

Jamie Roblee, Highway Superintendent, answered questions concerning the Section 284, attached herein. The Board signed the agreement. Discussion held on blacktopping Chain Lakes Road, FEMA and the ongoing new bridge/culvert project.

Public Comments/Concerns

Ben Stradder, Representative of the Equality and Justice Committee thanked the Board for their support and told all they are reaching out to the community to see if there is anything they can do for anyone. Discussion held on the banners that are going to be put up. Ben feels this will be inviting to visitors passing through and possibly make them stop and check us out instead of just passing through. Supervisor Wells will be working on the permit process.

Darrin Harr, Chamber Director, approached the Board stating they are gearing up for the Poker Paddle. Andy Coney, Blue Mt. Lake Association Member, stated that they would be holding their annual canoe race. He stated there would be a steward there making sure all the kayaks and canoes have been cleaned. Supervisor Wells stated this is something the Town Board needs to start looking into better as the Town has numerous boat put-in sites that are not monitored. He also reported to the Board that the Beach safety protocol had been lifted, therefore we did not need monitors this year. As we had already hired the monitors, he asked the Boards preference on keeping one of the monitors and put them at Byron Park to clean and check boats at the boat launch. Supervisor Wells made a motion to move the monitor individual from the Beach to Byron Park. Seconded by, Councilman Rathbun.

Roll Call: Councilman Mahoney Aye
 Councilwoman Stanton Aye
 Councilman Rathbun Aye
 Supervisor Wells Aye

Brenda Valentine reported to all that the Moose Festival would be taking place this year. This will be held the fourth (4th) weekend in September.

Andy Coney questioned if the Town bathrooms would be open in Blue Mt. this year. Supervisor Wells stated that they would.

Supervisor Comments

Supervisor Wells reported that he continues working on the electric car charging stations that will be placed at the New Welcome Center (Old Stewarts Shop). He told the Board that he had information that he was unable to print off. He stated he would make copies and give to the Board.

Supervisor Wells reported to all that we have been working hard to get the new Welcome Center finished. He told all that the energy costs for the building are extremely high and Bill Laprairie has been looking into new heating systems. Supervisor Wells stated he would get the information to the Board to look over.

Supervisor Wells thanked the Legion for their Memorial Day Services. He also thanked Councilwoman Stanton for moving the location of the Monument. Having it at the corner makes it much more accessible.

Supervisor Wells reported that he had attended a meeting with the D.E.C. concerning the new tree cutting law. He stated it was a work in process.

Supervisor Wells reported to the Board that there was going to be a meeting with a possible buyer for Wakely Lodge Golf Course.

Supervisor Wells reported to the Board that the contract with David Chenier concerning the water hook up has been signed. He thanked the Board for their speed getting this through.

Supervisor Wells told the Board that Suzanne, Principal Accountant, is working on becoming a Notary.

Supervisor Wells reported that all the paperwork for D.O.T is finished for the new Blue Mt. Lake sign.

Supervisor Wells told all that Hope Valley Farms will be coming once again on Wednesday's from 12:00 – 3:00 outside of Pines.

Supervisor Wells told all the paperwork for the streetlight conversion in Blue Mt. Lake is finished.

Supervisor Wells reported that we had sent out paperwork to extend the Grant received for the Blue Mt. Lake Water Project.

Supervisor Wells reported that Indian Lake Central School did not get the stimulus grant that the school put in for. Supervisor Wells stated he had reached out to our Senator to see if there was something that could be done. He stated six (6) schools did not get the stimulus.

Supervisor Wells reported to the Board that he had received information from National Grid, concerning emergency outages. He told them if they wanted to look it over, he would put in their mailboxes.

Supervisor Wells reported to the Board that work on the new Town Building Use Policy was almost finished and he would get them a draft to look over soon. He stated that we are getting numerous phone calls from constituents who would like to use the buildings.

Supervisor Wells reported that the Ad for a new Assessor had been placed and they would be moving forward on hiring soon.

Building Maintenance & Operations report May 2021

Black fly season is here and we have been treating all streams in both Blue Mountain Lake and Indian Lake, we have already moved on to our second treatment in most areas, all dams are on the fourth go around. We expect to be done treating around the second week in June.

Weekly garbage runs in Indian lake and dam check in Blue Mountain were done.

Flower barrels were put out at the ski hut, after the garden club prepped them we put them out in Blue, Indian and Sabael.

The pontoon boat that is used for weed control has been a challenge, after four days of trial and error we took the boat back to Raquette, it was determined the motor was in need of a major repair, after calling for pricing on a new motor we have taken the boat to a marina to have repairs made and done properly, we expect to have the boat back in a week and will start on bogs as soon as we can.

Internet has been installed at our new events dept and we have got walls built, we are waiting on a decision on which way to go with heating before we go any further.

At the shop we installed 250 feet of internet cable from the pole to garage to replace existing internet that no longer works, we also cut trees along roadside that were growing into power lines.

We have mowed all town properties, and cemeteries twice this month. We did a burial at Cedar River Cemetery, and will have to go back and do a cleanup soon of branches and a few downed trees.

Turned water on in all seasonal buildings.

Picked up garbage from community pride day. (350 lbs)

Thank you

Bill LaPrairie

Dept head Building Maintenance & Operations

Highway Report
June 2021

Chain Lakes Road was undercut and Graveled for the first .2 mile in preparation of being blacktopped

Griffin, Pashtey, Cowscadden, McCormick and Starbuck Road have had Gravel added to the surface

All dirt roads have been Graded.

3 new driveway culverts have been installed

A new cross culvert was installed on Parkerville Road

Trees were removed off all roads edges.

3 days were spent picking up trash for Junk Days

Materials have been hauled for road projects

Moose River Plains road was raked and trees removed. It was opened May 26th

Flags were put up for Memorial Day Weekend

Some new signs were put up. Waiting for parts to finish

We will start undercutting the first 1/2 mile of Parkerville Rd. This will be from Route 28 towards Lake Snow. Ending at Beaver Meadow Brook.

Jamie Robb
Highway Supt.

Mechanics Monthly

May 2021

Bill Wells

- ① Installed new back brake + drum on #185 dump
- ② Put rebuilt front end parts on 3320 tractor
- ③ Trouble shoot Hyd leak on 190 loader
- ④ Full service done to 185 dump
- ⑤ Put new side boards on 185 1 ton
- ⑥ Took hyd cooler out of 190 loader sent to North Country rad to be rebuilt
- ⑦ serviced A.C. on tractor 3320
- ⑧ Help matt clear trees on Cleveland Road
- ⑨ Changed Tire on 190 pickup
- ⑩ Fixed Battery hold down on tractor 3320.

Town of Indian Lake water and wastewater report

May 2021

Testing was completed at all plants daily.

DOH and DEC monthly samples were taken.

Our second round of PFOA'S were submitted to the lab.

Two hydrants were replaced in Blue Mt. We have also started our seasonal flushing of hydrants in Blue.

We had a meeting with Marlen Martin(DOH) and Cedarwood engineering to look at possible well locations in Blue. The locations picked were selected based on the hydrogeologist report.

A pallet of filter media was picked up in Tupper Lake and brought back to Blue.

Inspections by the Dept of Health were completed at both water plants.

The water main on Big Brook Rd. was extended to the district line and a 1 inch service was installed.

**June 2021
Economic Development, Marketing & Events Report**

Website

I had several Zoom meetings to discuss the upgrades and changes required by Trampoline (design team) and Invisible Ink (web creator). Another is scheduled on Friday, June 18.

Many of the easy, quick fixes have already been accomplished. More complicated changes are being worked on now and under review. Final re-launch should happen before the end of the month.

1. A copy of an updated map for the websites homepage is in your mailbox and Brian will ask you to share your thoughts re: directional town/location references.

I would be happy to provide a comprehensive list of specific changes upon request. There will be an additional charge of \$1377.50, payable to Invisible Ink, once their work is completed. Included in this fee is a training class for me with Invisible Ink. We still have a balance of billable hours with Trampoline to cover upcoming needs through August.

July 3 Festivities

A parade (line up at 6 pm and start time at 7 pm) is planned prior to fireworks at dusk. All appropriate paperwork, permits and marketing materials have been prepared and sent to respective providers. Paid advertisement will run two weeks prior (6/24 and 7/1) in the Hamilton County News. The same ad will appear on the screen at the Indian Lake Theater prior to their movies.

2. A copy of this ad is in your mailbox. Please note the QR code I added, which if scanned with a phone app brings you to our new website.

Music provided by DJ from Inlet (Ed Tondryk) will begin at 6:30PM until dusk. All I will need for his set up is a popup tent and access to power (20amp) to be located beside the Byron Park building.

The American Legion has graciously offered to sponsor prizes for the top three best entries. Ken said he'd select the judges. Please thank him/Post members if you see them in the community.

3. A copy of the parade entry form is being provided in your mailbox. Copies are available at Town Hall, Chamber of Commerce, and various bulletin boards. I plan to visit businesses in person on 6/19 to hand deliver entry forms.

Marketing

On Friday, June 18 at 1PM, I will be participating in a Zoom meeting with Trampoline to discuss the Advertising they have been placing for us since the beginning of their

contract. This includes paid advertisements in Adirondack Life (3 total) and Adirondack Explorer (2 total). We will be reviewing the July/August content for Adirondack Life and additional advertising they have been running with WYNT (News Channel 13 online). I will also be learning what additional contracts are continuing and/or expiring. They'll be explaining the campaign goals and the results received thus far. More details to follow next month.

4. A copy of the summer Adirondack Life ad is in your mailbox.

I have ordered branded Town of Indian Lake logo items (t-shirts, hats, bumper and car stickers) to sell during the time between the parade and the fireworks. The vendor providing this merchandise is Genuine Sign Design. The order was approved via email by the Town Board and procurement policies were followed. Items will also be available for sale when we open the Visitor Center.

I am posting Town events on various community calendars: NCPR, Adirondack Experience (Hamilton County Tourism site), and Guest Informer.

After discussing partnership marketing efforts with Dave Hughes with Town of Newcomb, I created a special 5 Towns Page. The 5 Towns logo will soon appear on the homepage of the website. When you click on it, you'll be directed to a separate page explaining the partnership via the page I created.

Branded business cards were ordered for certain department heads.

I created new letterhead and poster templates using the branded elements. Eventually, I will be able to create a branding suite of templates for other departments to use.

A special congratulatory advertisement for ILCS Class of 2021 was purchased and will be featured in The Sun on June 26th issue.

I am hoping everyone is liking, following and sharing the Town's official social media channels. If not, please do:

<https://www.facebook.com/townofindianlake>

<https://twitter.com/TownofIndianLa1>

<https://www.instagram.com/townofindianlakew/>

Music in the Park

Concerts have been scheduled for Friday, July 16 w/ The Stony Creek Band and Saturday, August 21 w/ The Bluegrass Wranglers. Contracts have been sent out.

ONE CALL Now

ONE CALL Now is an automated messaging system set up to allow the Town to send out important emergency alerts just by typing in one message and pressing send

deliverable to the masses. When the Town launched this program they attracted approximately 230 individuals who provided their contact information.

I'd like to be able to utilize this contact information to send e-blasts regarding Town events, marketing and economic development updates (ie: progress on the comprehensive plan). Since the original intent of the system was for important emergency alerts only, I'd like to send out the following message:

Dear Community Residents,

Thank you for providing your contact information to the Town of Indian Lake's ONE CALL, an automated emergency alert system. I'd like to provide you with additional information pertaining to the Town, such as news relating to events and progress on our comprehensive plan via email. I respect the original intent of your signing up was just for specific emergency updates. If you prefer NOT to receive any additional marketing news regarding the Town's activities, please let me know by replying NO THANK YOU and I will ensure your wishes are respected. If you do not reply NO THANK YOU, I will assume you are happy to receive emails from me going forward. If you have any questions, please contact me directly at indianlake2021@gmail.com or 518-648-5828. Thank you in advance for considering my request.
Sincerely,

*Christine Pouch
Economic Development, Marketing & Events Manager
Town of Indian Lake*

Town Board Action: Please let me know if I can go forward with this plan.

**Indian Lake Poker Paddle Safety Plan
Outdoor Event**

Location: Byron Park Beach and Adirondack Lake, Indian Lake, NY
Tentative Date: Saturday, July 31, 2021

Description:

The **Indian Lake Poker Paddle** is an annual event proudly sponsored by the Indian Lake Chamber of Commerce. Explore the shores and bays of the **scenic Adirondack Lake**. Anything that floats and is propelled by a paddle qualifies: Canoe, Kayak, SUP, Rowboat, Guide boat, Raft...

Open to all ages and skill levels. Participants will paddle to upwards of 10 host dealer stations in order to build their best 5 card poker hands. Cash prizes for best poker hands.

Event Capacity:

Up to 150 participants
Up to 30 staff/volunteer and host personnel

COVID Safety Procedure:

Pre-registration shall be done online at indianlakepokerpaddle.com, at the Chamber's Visitor Center or mailed to PO Box 724, Indian Lake, NY 12842.

No on-site day of event registration will be allowed.

Contact tracing will be established with participants' contact information gathered at pre-registration. A contact tracing database will be gathered from staff/volunteers and hosts.

Fully vaccinated people can choose whether or not to wear a mask. All others are required to wear a mask whenever closer than 6 feet away from a person outside of his/her party.

Visibly ill people will be asked to promptly leave event.

COVID Safety Procedure (Continued):

In order to avoid extended congregation at the Byron Park Beach, participants will be required to:

- Begin paddling and leave the beach promptly after checking in
- Leave the event promptly upon checking out and surrendering their scoresheets.

Participants will select a card from each deck without touching the card. Dealer will mark the card selection onto a score card carried by each participant.

Each host will have hand sanitizer at their dock station.

Prize winners will be determined by staff/volunteers after all participants have checked out of event. Results will be posted online and awards will be mailed to winners.

Town to supply: traffic control and trucking

We look forward to working with you to make your 2021 road program a SUCCESS!

Sincerely,

John Scoones
Sales Representative

Gorman guarantees workmanship and materials but is not responsible for failures due to inadequate sub base, poor drainage or the result of poorly prepared/treated shim. Damage to Gorman's equipment due to abandon structure may result in extra charges to the customer. Any alteration or deviation from the above mentioned specifications or any change in the scope of the job involving extra costs will be executed only upon written orders, and will become an extra charge over and above this estimate.

Immediate Release:

June 14, 2021

Contact:

Jack Valentine, 518.648.5636

INDIAN LAKE TO WELCOME ALL WITH NEW BANNERS

Indian Lake: Soon visitors, permanent and summer residents and travelers along NYS Routes 28/30 will be greeted with banners welcoming everyone to the Town of Indian Lake. The banners will read "All Are Welcome Here" followed by the new Indian Lake Logo and multicolored hand-prints framing the perimeter. The banners are the result of a partnership between the Indian Lake Equality and Justice Committee (Committee) and the Indian Lake Town Council (Board). Funding for the banners is coming from private and organizational donations. The Town Highway Department will install the banners on designated utility poles.

In response to numerous events demonstrating racial intolerance both at the national and regional level, a resolution was proposed and approved last July by the Board endorsing the Town's commitment to be a welcoming, inclusive and safe community for all. In part, the resolution reads: "WHEREAS, it is essential that the Town of Indian Lake commits itself to ensuring equality, equal justice and opportunity for all regardless of race, religion, ethnicity, gender and sexual orientation". The resolution further encourages all residents to take actions to support that goal.

The Committee was formed to demonstrate through the creation and sponsorship of activities, that our community is truly committed to equality and justice for all. In addition to the Banner Project, the Committee was an active participant in the Hamilton County Police Reform and Reinvention Collaboration Plan; providing input to the plan by suggesting additional considerations to include the use of body cameras and policies for their use. As the Committee moves forward it will partner with the County, Town, community organizations, local businesses, religious institutions and the Indian Lake Central School to enhance awareness of social issues and to be more tolerant and welcoming toward others different from ourselves.

For additional information contact Jack Valentine at 518.648.5636 or adkcamp@frontiernet.net.

Resolution # 7 - 2021

Declaring Surplus Equipment - 2021

The Town Board of the Town of Indian Lake purchased two (2), six (6) -yard refuse containers during 2020 to help manage waste hauling under New Your State COVID 19 restrictions under Executive Orders.

Due to the lifting of COVID restrictions the Town Board of the Town of Indian Lake has declared One (1), six (6)-yard refuse container as surplus Equipment and as such has been compensated with fair market value as per Town Law 64 (2-a).

Offered by Supervisor Brian E Wells

Seconded by Councilman Jake Mahoney

Resolution # 7 – Resolution Declaring Surplus Equipment

Supervisor Wells offered Resolution # 7, declaring surplus Equipment (Resolution attached herein). Seconded by, Councilman Mahoney.

Roll Call: Councilman Mahoney Aye
 Councilwoman Stanton Aye
 Councilman Rathbun Aye
 Supervisor Wells Aye

Supervisor Wells reported to the Board that the Town can help the Adirondack Experience with the banners. He told all that he had contacted the Town Attorney and was told that the Town can indeed help a Non-Profit Organization. This would consist of the Town Loader and a couple men to put up the banners. He told the Board he would give them a copy of the Law.
Supervisor Wells reported that numerous Towns are not opening their beaches so it will be a "Swim at Own Risk" basis as it is so hard to get Lifeguards certified this year. He told the Board we may be looking at having our Swim Instructor take the training course to become a Lifeguard Instructor as well.
Supervisor Wells reported that he had met with the School Board concerning the biking/running trails. He told all that we have approximately \$50,000.00 from a previous Grant to begin this project. He told all that Steve Ovitt (planner for the project) is extremely busy this year. He asked for a down payment now and then would put us on the list for next year.

Supervisor Wells told all that he is looking into a way to live stream the Town Board Meetings. He stated the Newcomb Supervisor would be sending us information as to how they live stream their Town Board Meetings.

Discussion was held on Water Aquatics Invasives.

Supervisor Wells told the Board there was a webinar coming up concerning short term rentals if any of them would like to listen in. He stated that there has been an increase in Air B&B's and there have numerous requests from homeowners to have more regulations concerning this.

BILLS AND ABSTRACTS

Supervisor Wells made a motion to pay the Bills and Abstracts as presented. Seconded by, Councilwoman Stanton.

Roll Call: Councilman Mahoney Aye
 Councilwoman Stanton Aye
 Councilman Rathbun Aye
 Supervisor Wells Aye

General:

29722 – 29742 \$5,439.55
29743 - 29765 \$5,247.89
29783 - 29931 \$115,652.16

Executive Session

Supervisor Wells called for an Executive Session at 8:12 p.m. for the purpose of discussing personal and contractual obligations. Seconded by, Councilwoman Stanton. All in favor Motion carried.

Councilwoman Stanton made a motion to exit Executive Session at 9:20 p.m. Seconded by, Councilman Mahoney. All in favor. Motion carried.

No action taken during Executive Session.

Councilwoman Stanton made a motion to adjourn the meeting at 9:23 p.m. Seconded by, Councilman Rathbun. All in favor. Meeting adjourned.

Respectfully Submitted by Julie A. Clouston

Town Clerk
