

**A Town Board Meeting** was held on June 10, 2024 at 7:00 pm. The location was the Indian Lake Town Hall, 117 Pelon Road, Town of Indian Lake, Hamilton County, NY.

Prior to the beginning of the meeting, Supervisor Wells recognized our 2024 Citizen of the Year, Mr Ken Cannan. As Mr Cannan had a baccalaureate service to attend at 7pm, we will hopefully have to opportunity to give him a proper acknowledgement at our next board meeting on July 8, 2024.

Supervisor Wells brought the meeting to order, all said the pledge of allegiance. Deputy Clerk Zahray called roll with the following answering:

Councilman Mahoney – Here

Councilwoman Eldridge – Here

Supervisor Wells – Here

Councilman Rathbun – Here

Councilwoman Howard – Here

**Minute:** Supervisor Wells asked for a motion to approve the minutes from the May 13, 2024 meeting, Councilwoman Howard asked for a correction on a typo, Councilman Rathbun made a motion to approve the minutes with the correction and Councilman Mahoney seconded. All in favor.

**Department Head Reports/ Additions:** Supervisor Wells thanked Mr Patrick Mahoney, Water and Sewer Department for his quick work of taking care of an issue that had come up with the EPA.

Councilman Rathbun thanked all the Department Heads for their help and work with the History Re-enactment that was held at the Townsend Property in May. It was a successful event and the people in attendance were well pleased. There was a bit of concern from people about the noise from the cannons and Mary Prusko questioned if there was a possibility of having a schedule for future events that involve loud noises (cannons, fireworks).

**Public Comments/ Concerns:** Andy Coney questioned whether the beaches would be open this year, we currently have 2 potential lifeguards which would give us alternating beach days. There is a shortage of people who want to be lifeguards. The Blue Mt Lake Association has a plaque to be put on the phone booth that is in Blue Mountain with a thank you to Bill LaPrairie, Head of the Parks and Rec Department, for his hard work taking 4 broken phone booths to make one functioning one.

Mary Leach wanted to let everyone know that the Adirondack Lakes Center for the Arts is open for the season and a couple of upcoming events are an Open Mic and Karaoke Night and a monarch craft with Lauren Walker.

Mary Prusko shared information about the Indian Lake Boater's Guide which offers a very detailed map for navigating Indian Lake and it is available for purchase at Pines and the Indian Lake Marina for \$10.

**Chamber Request:** The Chamber of Commerce has requested the use of the Beach Pavilion on Lake Abanakee for sign up of the people who will be participating in the Poker Paddle in July, they would be launching from an area further down the lake. The Board approves the request.

**Town Clerk Audit:** The town clerk audit was completed and approved.

**Supervisor Comments:**

Supervisor Wells mentioned that the Hometown Heroes Banner committee will have a Family Fun Day fundraiser on July 15 behind the Axes and Irons Building, they would like to have port a potties, the town will be looking into whether we are able to assist them with this request.

The decision was made to continue utilizing Decals at the town hall to provide people with the service of getting their Fishing and Hunting licenses.

A short-term rental law has been passed by both houses and has gone to the Governor for her approval.

There will be a meeting with FEMA for the funding for Water Plant Road, due to the change in highway supervisor and accountant, we had fallen behind, but the project will be back on track.

Elderwood Nursing Home in North Creek has applied for the Vital Access Provider Grant. Covid 19 made things very difficult for them in providing essential service and the rising costs. We support Elderwood and the service that they provide.

The Highway Department has a Grader that needs attention. A lot of money has been put into it, it's old and may need replacing. We have been waiting for a new transmission.

There is a NYS law that only particular fireworks are allowed in New York State. The loud noises are disturbing to the public and it's not as exciting for most as it is for some. Perhaps it is time for a resolution to ban them altogether.

**Other Town Business:** Councilman Mahoney shared his thoughts that the Black Fly Challenge was a very well-done event and thanked everyone for their hard work.

Councilwoman Howard asked if we were accepting the Adirondack Generators Bid? The decision was made at the May meeting to accept the bids as presented and turn them over to Bill LaPrairie, Parks and Rec Department, to look over the specifications to be sure everything was as needed and to make the final decision, this was included in the motion at that meeting.

**Pay bills/ abstracts:** Supervisor Wells made a motion to pay bills, Councilman Mahoney seconded. All in favor.

**Bills and Abstracts:**

39233 – 39253 \$38,455.49

39254-39421 \$104,461.09

**Executive Session:** Supervisor Wells made a motion to enter executive session at 7:20 pm. Councilman Mahoney seconded.

Supervisor Wells made a motion to exit executive session at 8:25 pm. Councilwoman Eldridge seconded.

No action was taken during executive session.

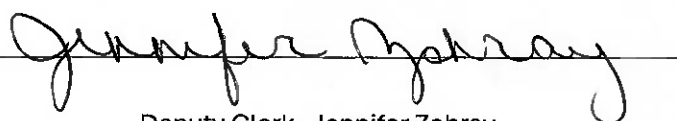

A motion was made by Councilwoman Howard to start the process of going to an Appointed Highway Supervisor position, seconded by Councilman Rathbun. All in favor.

A motion was made by Councilman Rathbun to declare the former Townsend property as surplus, with the possibility of subdivision to be discussed, this decision was made due to the lack of New York State funding SAM Grant #6948 of \$300,000, seconded by Councilwoman Eldridge. All in favor.

A motion was made by Councilwoman Howard to pay the Snowwarriors for trailgrooming during the 23/24 Snowmobile Season in the amount of \$1,654.08, seconded by councilwoman Eldridge. All in favor.

A motion to adjourn was made by Supervisor Wells at 8:55 pm, seconded by Councilwoman Howard.

Respectfully submitted by

Deputy Clerk - Jennifer Zahray

#### Building maintenance and operations monthly report May 2024

May started off with community pride day, townspeople the school and businesses brought in 640 pounds of garbage collected off roads all over town and in Blue Mountain, up almost 200 pounds from the previous year.

We continued raking and cleaning off lawns on all Town buildings, pruned up trees and shrubs, and turned on all the outside water to all the buildings. Took our John Deere tractor to all the cemeteries and raked all the roads and started filling in some of the sunken graves. We cut out the wood line in the Cedar River cemetery to open up some of the graves where they had been overgrown by brush. Dumped two loads of sand on the Blue Mountain Canoe launch where the erosion from winter and ice had occurred, pruned up all the trees on the road going into the Blue Mountain transfer station.

Mowing has started and we have mowed everything twice this month, including the shooting range and the old transfer station. Repairs were made on lawnmowers, wheels, decks and the first set of blade changes.

Gene spent a lot of time working with the highway department up in Moose River Plains getting the roads opened up and afterwards asked about transferring back to the highway. Tom and I had the discussion and Gene is now back working for the highway department full-time. The rest of my crew assisted the highway department with opening up some of the other roads around town using our equipment and our trailer to clean up brush and debris from winter storms.

Two graves were dug this month, one in Benton cemetery and one in the Cedar River cemetery, we have eight bases to install between both cemeteries.

At the Townsend property we have dug and installed a panel for possibly music in the park or other events that the welcome center staff has planned.

The water department turned on the water to Townsend curb stop and we installed temporary water to the back of the building for Mr. Rathbun's reenactment and living history weekend.

Two more employees got chainsaw certified this month, Jeremiah DeLong and Evan Laprairie both took the course and have certificates and are level three state certified.

BTI season has come to an end, we used 50 gallons of product to treat all of our streams in Blue Mountain, Indian Lake, Sabael Cedar River and Big Brooke areas.

Thank you

Bill LaPrairie

## June 10, 2024, Town of Indian Lake Board Meeting Economic Development, Marketing & Events Report

### Community/Economic Development

ILCDC's SIB, Sabael Indian Lake, Blue Mountain Lake Re-Vibe) Committee – The group is identifying locations throughout the three municipalities to place canoes. Special thanks to Bill's crew for painting the canoes and paddles in their downtime.

NPT (Northville-Placid Trail) Turns 100 on June 1, 2024 – We have purchased commemorative stickers and patches and will develop a short-term marketing promotion (like what we do for CK Slip Falls) to promote NPT hikes to stop at the Welcome Center and register for a free sticker/patch.

For more information about the NPT100 celebrations, please visit [NPT100.com](http://NPT100.com) and the [theADKX.org](http://theADKX.org), [NPT100.TrailMix&TunesAdirondackExperience](http://NPT100.TrailMix&TunesAdirondackExperience).

Northville-Placid Trail 100 Anniversary Celebration is on August 24 from 1-5pm at the Inn on Piseco Lake.

Northville Kick off for NPT will happen May 3-June 2. A closing event will be held on September 14 in Lake Placid.

**Partnerships with the Adirondack Foundation** – I was invited to attend another Economic Development Leadership Roundtable with the President and Members of the NYS Federal Reserve Bank's Community Development Division in Lake Placid on May 28. There were more than 20 attendees, mostly representing health, education, and social services sectors. Steve Michaly (Milnera Supervisor and President of Adirondack Association of Towns & Villages) and I were the only folks representing municipalities. The folks from the Fed led off by stating they weren't going to lower interest rates, and they aren't planning to donate any money. Our pitch to the group focused on the 101 towns in the Adirondack Park are vastly different than Lake Placid and our need for additional grant opportunities that aren't reimbursable. I also mentioned we are still waiting for funds from 2017 to be reimbursed from DASNY SAM Grants and mentioned we had to do a BAN for the dam project because none of our grant requests were funded.

**Inlet-County Meeting** – Is planned for July 25 at the Indian Lake Theater. More details to follow.

### Events

**Great Adirondack Yard Sale** was May 24-25. We had close to 20 Yard Sales in town and traffic was noticeably busier that weekend. The Chamber was unaware that this event was typically their responsibility. I handled coordinating all details with ROOST. The Chamber was opened on Saturday from 10-2. Side note: Daily, at least one or more visitors come in asking for fishing licenses. Although the licenses are now available online, many prefer to get their license in person.

**The Memorial Day Parade** on May 27 in Inlet was cancelled due to rain. Supervisor Wells did attend and speak at their ceremony. I followed and photographed the American Legion from monument to monument as they laid memorial wreaths.

1

**Citizen of the Year** –Final selection will be announced on June 10, 2024, at the Board Meeting. Six individuals and one team were nominated.

**Black Fly Challenge** is this coming Saturday, June 8. 1,000 riders are expected.

**Monarch Fest** is Saturday, June 15. Plans are completed. Since last month we have added a butterfly silk walker and professional face painter to the mix. ADKAction and Hamilton County Soil and Water District will be attending and providing educational information. Miss Susan will also be joining us for a storyline and activity.

**Independence Day Celebration** – Will be held on Saturday, July 6. The parade route has been changed to Bennett Road to Town Hall. The music will be on the Townsend Property. Fireworks will be launched from Byron Park back parking area.

### Marketing

All calendar of events has been updated with our annual programming. This year we have also added Adirondack.net and Inlet Area Business Association as we have a membership which allows us to market our events on their calendars.

**Social Media:** I continue to encourage all to FOLLOW and LIKE the Town on social media sites.

RE: THE TOWN BOARD OF THE TOWN OF INDIAN LAKE OFFERS THE FOLLOWING LETTER OF SUPPORT.

To Whom It May Concern,

The Town Board supports Elderwood Nursing Home's recent application for a Vital Access Provider Grant. This nursing home has served the surrounding communities for decades. It opened as the Adirondack Tri-County Nursing and Rehabilitation Center in the early seventies. As the name implies, this facility served the surrounding Towns and Counties with Nursing Home placements and rehabilitation services. This central location in rural New York State supplied its residents and their families with the convenience of short travel distances, and the reassurance and familiarity of nursing home employees with local ties.

As with many healthcare services, Covid-19 placed tremendous financial hardships on the institutions that support our most vulnerable population. New York State's Medicaid reimbursement rates are another hurdle for healthcare systems to navigate to supply quality medical treatment, which is affordable to all, and provide living wages to staff needed to operate.

The Town Board of the Town of Indian Lake strongly encourages the New York State Department of Health and Governor Kathy Hochul to approve Elderwood's application for a Vital Access Provider Grant.

Thank You

Most sincerely,

Good morning Julie.

Hope all is well and you had a nice weekend. I'm sure you're counting the days to freedom too!

I would like to formally ask on behalf of the chamber the Town board for permission to use the pavilion at the town beach on Abnakee Lake. The chamber is organizing this years poker paddle on Saturday July 13 10am to 4 pm. Use of the pavilion would be for registration at the beginning and awards at the end. All launching would be just up at the lake launching area and not from the beach area.

Please let me know if you have any questions or need any additional information.

Thank you and have a great day!

Dear Supervisor Wells and Indian Lake Town Board,

I am writing to see if the Town Board would be willing to give Gallup Farm permission to sell its goods at the Indian Lake Library during the summer of 2024. I have spoken with Gallup Farm owner, Julie Harrington to get more information, and have shared the information with the Library's trustees. The trustees support the idea, but understand the library building belongs to the town, as does the property it rests on. The library trustees also understand that this arrangement could set a precedent for other town property, and would be fine with whatever decision the town board makes.

Here are the details:

Gallup Farm is insured and can add the town as "loss payee" to its insurance policy. A copy of insurance certificate will be provided prior to the Town.

Gallup Farm would like to sell weekly, on Thursdays, from 11:00 am to 2:00 pm. They would like to set up from roughly mid-June to mid-September.

Gallup Farm would use 1 parking space in the library lot, and would set up a 10x10 foot tent on the library lawn for display and sale of goods.

Products for sale include tomatoes, cucumbers, baked goods, frozen meals, soups, and possibly local produce from other farms.

Gallup Farms has offered to give a percentage of its sales to the library, but the library board has declined that offer.

Thank you for your consideration on behalf of the Indian Lake Library.

Sincerely,

A handwritten signature in cursive script that reads "S. Rollings".

Susan Rollings, Library Director
