WELCOME TO INDIAN LAKE, NEW YORK!

Moving to Indian Lake, located in the center of the six-million-acre Adirondack Park in upstate New York, has its benefits. While we do not have any traffic lights, that doesn't mean life here is not progressive. New businesses and residents are moving in every day. We cherish the fact that folks like to slow their pace down while they are here, stopping to smell the pines, dip their toes in our streams, and/or hike our 120 miles of public, multi-purpose trails. Our four seasons offer a constant change of scenery with plenty of activities to enjoy recreation in a new way.

Our K-12 school is first rate and offers one (1) to five (5) teachers to student ratio in classrooms, as well as partnering with community colleges for distance learning.

Emergency services (fire and ambulance) are available in Indian Lake and Blue Mountain Lake, as well as county and state police. Healthcare services within Indian Lake include the Indian Lake Health Care Center operated by Hudson Headwaters Health Service. Hamilton County Health and Human Services which aids with mental health, substance abuse, youth programming, and support and home health care.

The Town of Indian Lake is governed by a four-member Town Council and the Town Supervisor; all are elected positions. Administrative offices are in the Town Hall including Town Clerk & Tax Collector, Supervisor, Zoning Office, and Principal Accountant. In addition to housing these offices, the Town Court is located here as well.

I hope you'll find the answers to the many questions you may have within this Welcome Packet. If not, please don't hesitate to contact any of our town officials and/or staff. We look forward to having you join our community.

Most Sincerely,

Brian E. Wells
Supervisor

P.S. Please visit our website (indianlakeadk.com) or our Welcome Center, located at 6132 NYS Route 28, to learn more about what our hamlets of Blue Mountain Lake and Indian Lake offer.
